**Subject:** Please Support HB 5408, Presentation of Carry Permits

To members of the Public Safety and Security Committee of the CT Legislature:

I strongly urge you to support HB 5408 requiring the presentation of a permit to police officers upon their request from persons carrying handguns in public. I can't imagine any reason why a person carrying a handgun in public should not be required to demonstrate that they can do so legally. For a law enforcement officer to request to see a legally required permit is not an infringement upon gun owner's rights.

Thank you,
